ABOUT DR. M. RAY PERRYMAN

Dr. Ray Perryman is President and CEO of The Perryman Group, an economic research and analysis firm based in Waco, Texas. His firm has served the needs of more than 2,000 clients ranging from major corporations to small startups and from local communities to the federal government.

Over the past 40 years, Dr. Perryman has helped recruit corporations providing hundreds of thousands of jobs through economic development work, aided in the resolution of billion-dollar legal issues, and revamped public policy through impact assessments and other studies. His firm has measured economic impacts for corporate locations and expansions involving billions in

investments, and his economic forecasts are used by hundreds of corporations and government agencies. Dr. Perryman has provided economic analysis and expert testimony for civil litigation across a wide range of practice areas including antitrust and competition, patent infringement, securities, and complex commercial litigation and frequently testifies in legislative hearings.

Some of his most gratifying work has been in the field of economic development; he also dedicates a significant portion of his time to pro bono work aimed at helping to solve pressing social problems such as hunger, indigent health care, and child maltreatment.
